

# **Logistics MIWG Proposal**

**Future Coalition Logistics (FCL)  
Sub-Working Group**

**COL Ronnie Roberts  
Chairman, US**

# Issues

- Separate Logistics MIWG approval
- Terms of Reference approval
- Short, Mid and Long Term Workplan approval

# Overview

- Brief history of the Logistics Sub Working Group
- Achievements to date
- Issues and Program of Work
- Terms of Reference
- Summary & Recommendations

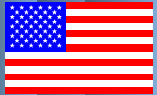

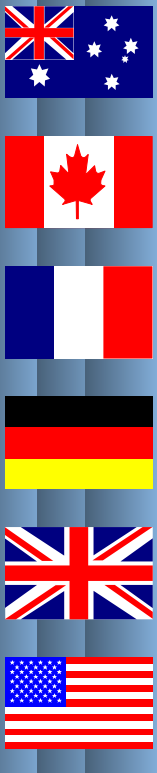

# History

- Ramstein CDE Conference – Dec 2001
  - Multinational Logistics - second highest priority
- Future Coalition Log Workshop – Oct 2002
  - National Log Reps Proposed Sub WG under CDE MIWG
  - No other group working coalition log issues
  - Each nation tasked to identify coalition log issues
- March 2003 MIWG Meeting
  - Developed a prioritized issue list
  - Achieved consensus on required Log MIWG
- June 2003
  - Way ahead for Quick Win Issues
  - Proposal for participation in MNE 3

# History

- Oct 2003
  - CAPSTONE Unanimous endorsement of stand alone Log MIWG
  - Developed long range work plan

# Achievements

- MIC nations agreed to address Coalition Log interoperability issues
- Developed prioritized Issue List and short, mid, and long term workplan
- Integrated business processes into our draft TOR and developed a work plan
- Spearheaded Log participation in MNE 3
- On track with resolving Quick Wins

# Action List

1 - Exchange Material and Services

2 - Prior coord of log planning

3 - Cdr's ability to optimize resources

4 - Effective Log C2 structure

5 - Logistics standardization

6 - Streamline fuel supply chain

7 - Logistics impact of CIE

8 - Log asset tracking interoperability

9 - Reduce Log footprint

10- Coord Log reconnaissance

11- Common coalition log doctrine

12- Intra theater transportation

13- Coalition contractor support

14- RSOM prioritization/coordination

15- Multinational logistics leader training

## Evaluation Criteria

### •Impact on Warfighting Capability

1- Force multiplier

2- Streamline/ease planning

3- Helpful but not essential

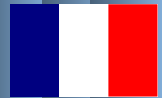

### •Timeline for resolution

Short 0-6 mos

Med 7-18 mos

Long 19+ mos

# Logistics Program of Work

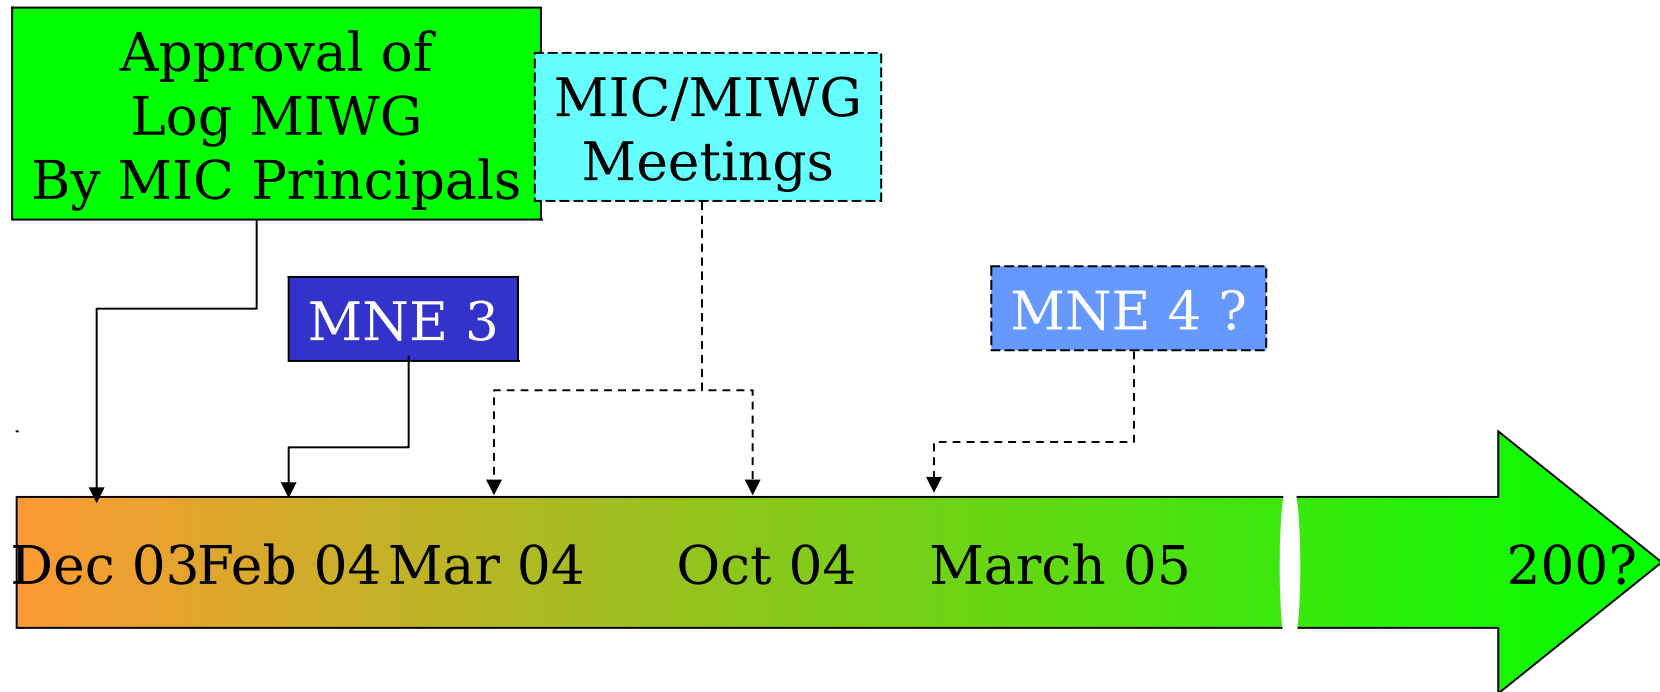

<u>Time</u>	<u>Priority</u>		
	One	Two	Three
Short 0-6 mos	3	1	1
Med 7-18 mos	1	3	0
Long 19+ mos	5	1	0

**Priorities**    1 = Significant force multiplier  
                    2 = Significantly streamline/ease planning  
                    3 = Helpful but not essential

# Proposed Work Plan

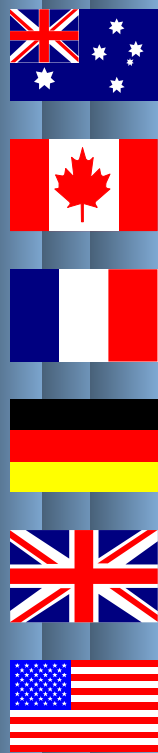

Quick win focus

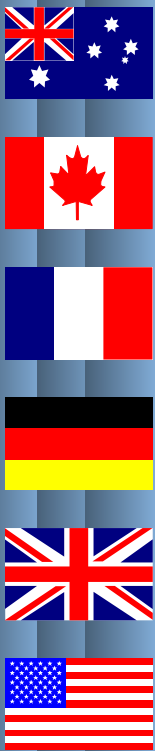

Further Development of  
endstate  
for Mid and Longterm issues

Identification of new logistic issues

# Log MIWG Terms of Reference (DRAFT)

- Promote coalition logistics interoperability IAW the aims of the MIC
  - Current doctrine, procedures and standards
  - Future logistics concepts
- Leverage the ongoing work of other national and multinational efforts (eg. NATO, FLOW, ABCA, EU, etc.)
- Collaborate with existing MIWGs
- The U.S. Joint Forces Command J4 (USJFCOM) will chair the Log MIWG. CDE rep will be a sitting member
- MIC Nations will be represented by their senior logisticians with SMEs/observers as appropriate
- These TORs will reflect current MIC goals and objectives

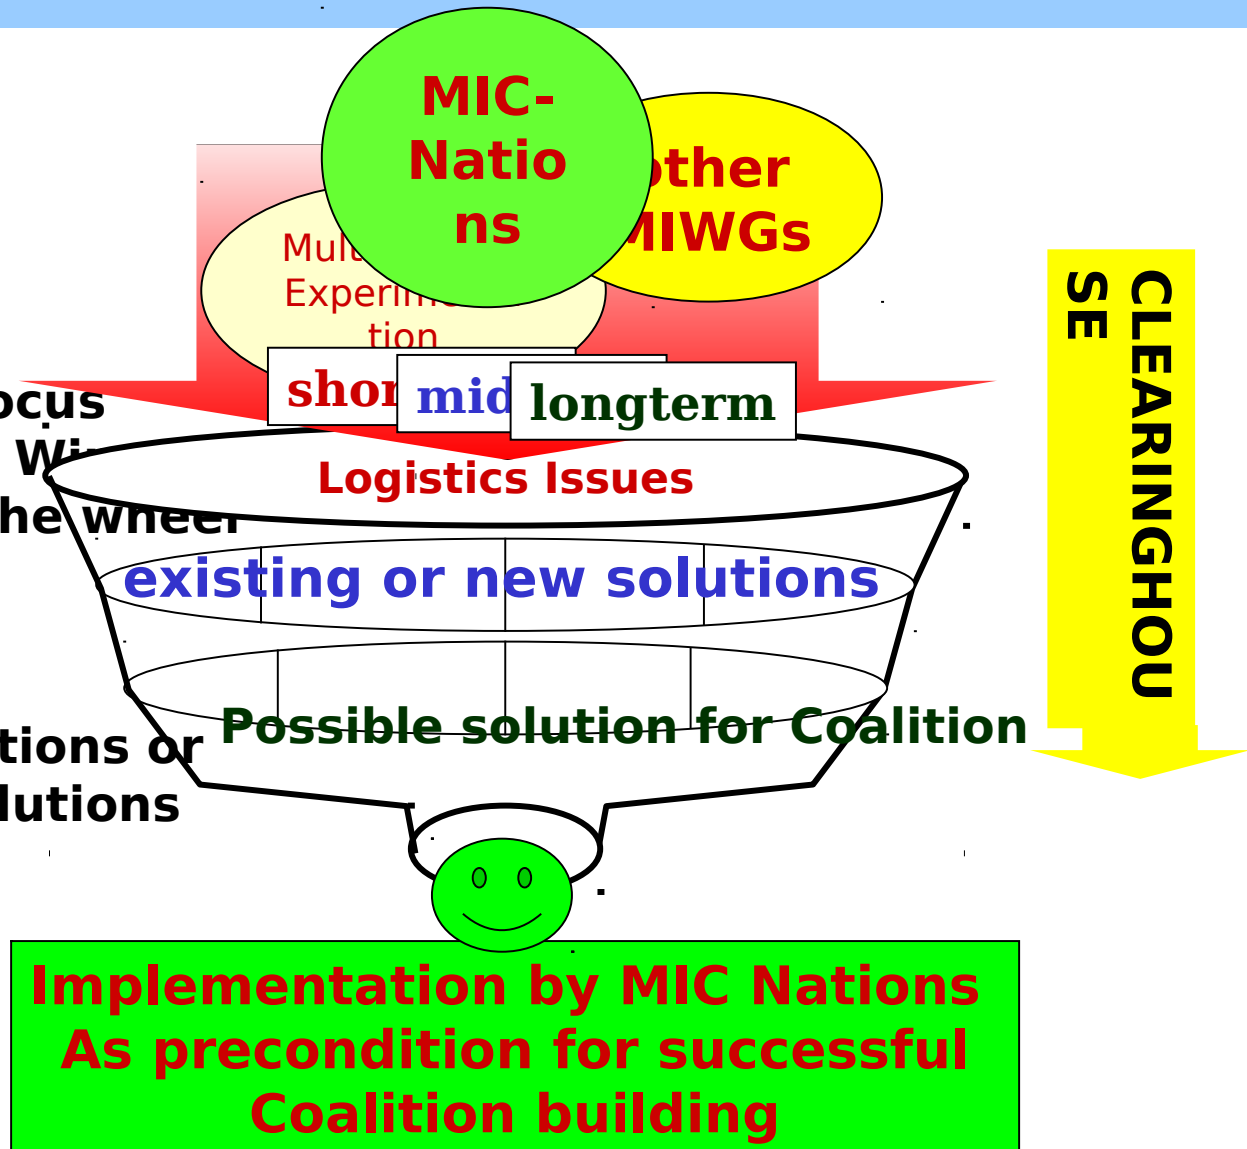

# Log MIWG Process

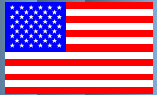

## Process:

- Operational Focus
- Achieve Quick Wins
- Not reinvent the wheel

## Therefore:

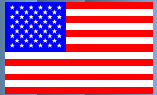

- Adapt/adopt Existing Solutions or
- Invent new solutions

# Recommendation

- Approval of a Logistics MIWG
- Approval of our Terms of Reference
- Approval of our Short, Mid and Long Term Work plan

# Questions?
